On receipt of the said order the school has raised its objection on 03/07/2018 stating therein that that the fees proposed by the school are reduced by the Committee to the extent of 43.75%. A request was therefore, made to give an opportunity of personal hearing.

It appears that the school has collected fees from the students at Rs.21,740/- during the academic year 2017-18 the details furnished by the school also justified, the collection of such fees by the school during the academic year 2017-18. In normal course, the Committee gives 5% rise for the academic year 2018-19, in the fees determined by the Committee further academic year 2017-18. However, in the present case while looking at the comparative figure for the academic year 2015-16 to 2017-18 in every year there was deficit and expenses are more than the income owned by the school. However, at the same time the fees proposed by the school for the academic year 2017-18 and 2018-19 at Rs.32,000/- and 35,200/- are not justified. Considering the entire circumstances of the case and perusing the details furnished by the school, the Committee hereby determining the fees by the 21,740/- per student per annum for the academic year 2017-18 on Rs. 24,400/- per student per annum for the academic year 2018-19.
