FOREFOUNDERS

Honourable
Late Shri Hiralal Bapulal Kapadia
(14-07-1893 to 09-01-1967)

Respected Shri H. B. Kapadia Saheb pioneered the foundation of The H. B. Kapadia New High School in the year 1956 at Shahibaug, Ahmedabad. He is revered not only as a great academician, but also as an efficient administrator and a brilliant organizer. Hailing from the small town of Khambhat and after a brief stint as an English teacher at the Proprietary High School, he established The H. B. Kapadia New High School and was distinctively recognized as a genius in the English subject and a very capable Principal. His zeal and quest of imparting education through selfless devotion and dedication shall be cherished and fondly remembered by innumerable students, parents and teachers till eternity.

Honourable
Late Shri Navnitlal Hiralal Kapadia
(05-05-1931 to 10-11-1987)

The noble tradition, legacy established by the honorable founder of the school Shri H. B. Kapadia Saheb was earnestly carried forward by his son Respected Shri N. H. Kapadia Saheb. He kept the flame of learning that was lit by the establishment of The H. B. Kapadia New High School aglow after the demise of Shri H. B. Kapadia Saheb, with the same sincerity, dedication and efficiency. ‘Like Father, Like Son’-he had very aptly proved this saying through his administrative ability as a Principal and with a profound knowledge of the English subject. Every progressive year rekindles the memory of his contribution and commitment towards the progress of The H. B. Kapadia New High School.

TEAM

MUKTAK KAPADIA

Managing Trustee

The sparkling flame of knowledge from Shahibaug School was now carried further in the year 2001 to the Memnagar area of the city by none other than Shri Muktak N Kapadia who has proved himself to be the true successor of his forefathers and founders of The H. B. Kapadia New High School. He has been a reflection of the same dedication and sincerity towards education as his ancestors. He has given such an impetus to the school that from a single branch at Shahibaug, today the school has earned a reputation of becoming "The H. B. Kapadia Group of Schools with branches in 8 locations and expanding still further with new possibilities and expansions.

HARSH KAPADIA

Trustee

Harsh Kapadia represents the fourth generation of Kapadia family. A Chartered Accountant by profession and an academic achiever while pursuing Bachelor's degree in Commerce and Law. He has also studied international business from Harvard University. His love for education and passion for technology drives him to bring technology into contemporary teaching and learning practices at HBK that would help the students to make apt career choices.

SHASHWAT KAPADIA

Trustee

Mr. Shashwat Kapadia is one of a kind and very enthusiastic individual, always keen on upgrading the way we think and the way we teach. He's been a student of the law. His deep interest in finance took him to study in University of Leeds, UK, but his passion for The H.B.Kapadia Group was unswerving, because of which, he earned an MBA in Family Business from Cambridge Judge Business School (CJBS). Working with The H.B.Kapadia Group since 2014, he is bringing futuristic changes in the education system.

ESHITA KAPADIA

Trustee

Mrs. Eshita Harsh Kapadia has been an integral part of The H.B.Kapadia Group of schools since 2014, working closely with the core team in planning, strategising and developing for the group. She holds a B.Tech degree in Electronics and Communication from Gujarat Technological University. She has a very keen interest in reforming the way current education is delivered. To understand and make changes from its roots, she has also pursued a professional training from Red Bricks Teachers Institute and management related courses from Fordham University in the USA.

OUR INITIATIVES

HBK

THE H. B. KAPADIA
NEW HIGH SCHOOL

HBK

THE H. B. KAPADIA
NEW HIGH SCHOOL

In the year 1926, a group of visionaries brightened the city of Ahmadabad with the glowing torch of education in the form of New High School in Gheekanta area of the city. These visionaries were Shri H. B. Kapadia Saheb, Shri R. K. Joglekar, Shri N.G. Lele and Shri C. B. Desai. Keeping the flame of education alive, in 1956, Shri H. B. Kapadia established The H. B. Kapadia New High School at Shahibaug. Since then, we have expanded to 8 campuses, 1100 educators and 15000 students. The group has educated more than 1 lakh students in its journey so far.

At HBK, every child is valued, encouraged and supported to achieve their full potential. We believe that it is our responsibility not only to educate the children but also teach them skills to prepare them for higher education. Our goal is to help every child excel in life by inculcating the virtues of Self-confidence, Concentration and Firm Determination.

We have a talented and committed team of educators to making sure that we respond to each child's individual needs. HBK also provides a wide range of enriching activities including residential and day trips, music, performance and sports, which all contribute to ensuring that our children enjoy their time at school.

We also actively encourage parental support and involvement in their child's education. It is the strength of our relationship with parents that helps children to thrive and succeed through their journey throughout the school life.

21st CENTURY SCHOOL PREPARING FOR THE FUTURE

HBK has evolved through the years in response to the ever-changing needs of the society. Today, we are again at a time where we are reimagining the education so as to make our children future-proof. In rethinking of how our school should be, we studied many future trends, research reports, and spoke to many industry leaders to better understand what young people need to succeed in the future. We learned that students will need to build many competencies and values along with their literacy skills to lead and innovate in future. So, at the H.B. Kapadia New High School, we are re-creating a learning environment to ensure that children are prepared to embrace the opportunities and challenges ahead, so that they can transform the future of their communities and country.

An Initiative by
THE H. B. KAPADIA GROUP

Being in the field of education for more than 60 years, The H.B.Kapadia Group understands child psychology and the most effective ways to educate them, better than most of the educational institutes in the country. Leveraging this knowledge, understanding and learning from detailed research, The H.B.Kapadia Group came up with a whole new concept in 2014 for preschool kids to make them understand concepts deeply and develop life skills by doing fun activities at school.

A child learns best through experience and experiments, be it alphabets, colors, taste or social skills. To provide a hands-on learning environment to children, 9 Kids has 9 stimulating learning spaces for children to explore, learn and create.

A renowned educator says, "If you are going to focus on changing how students learn, then you have to ensure the learning space accommodates that learning". Bearing this in mind, we make learning more relevant by conceptualizing curriculum around the real world affairs in our classrooms and the learning spaces. This also enables children to reach their full potential and become ready for higher schooling.

Individualised attention is another critical element in nurturing a child with desired knowledge and skills. At 9 Kids, we maintain a student to teacher ratio of 9 to 1, just as the name itself suggests.

HBK Kids, an initiative by The H.B.Kapadia Group, provides contemporary learning along with adequate care to children studying through Playgroup, Nursery, Junior Kindergarten and senior kindergarten. It is located at Motera, Chhatral, IFFCO, Unjha, Kadi.

It provides the right foundation to children by making them furiously independent and acquire inevitable life skills to enter 'big school' with confidence.

HBK Kids' extremely thoughtful curriculum and hands-on activities allow children to explore, experiment and ask questions which provide wholesome learning.

It provides a fun learning environment for young children to learn by experimenting with various activities and play designed with specific learning objectives.

Children at HBK Kids acquire practical knowledge and various life skills that prepare them for direct admissions at The H.B.Kapadia New High School's primary section.

The H.B.Kapadia Group has always supported sports as an important part of our lives. To promote sports beyond HBK school premises, we went a step ahead by owning HBK WARRIORS, a football franchise at the Ahmedabad Champions League.

From a pool of the good football players in Ahmedabad, we identified the best talent to form a promising team. From December 2015 to February 2016, the Ahmedabad Champions League, Ahmedabad's first 6-a-side football tournament was played at Juggernaut Arena in Ahmedabad and the second season will take place in the month of Dec 2016 - Jan 2017.
